COVERALL SIZING

HOW TO MEASURE:

- A. Chest** Measure around the broadest part of the chest. Use stomach measurement if larger than chest.
- B. Waist** Measure around the waist above the hipbone at the natural waist line.
- C. Sleeve** Measure from the center, back of the neck, down the shoulder and arm, across the elbow, to the wrist.
- D. Inseam** Measure from the base of the crotch seam to the ankle.

Tall sizes are 1 inch longer than regular sizes in length and sleeve.
