# Product Care

Product Care	<ul style="list-style-type: none"><li>• READ THE GARMENT LABEL AND LAUNDER PER INSTRUCTIONS ON GARMENT LABEL.</li><li>• DO NOT Bleach.</li><li>• Wash/Laundrying Instructions: Superficial dirt on the coating may be removed by wiping with a soft cloth moistened with warm, soapy water, then rinsed with plain water. More substantial dirt may need to be treated by wiping with alcohol, followed by warm water, then rinsed with plain water.</li><li>• Drying: Air drying is preferred, but the product needs to be completely dried before storage to avoid possibly damaging the polyurethane coating.</li><li>• If contaminants cannot be removed after laundering, it is best to discontinue use of the garment.</li></ul>
